

This is a master version of the 2026 Defense Organizational Climate Survey (DEOCS) that presents the core questions asked of Service members, excluding military service academy (MSA) students. Questions asked only of MSA students and/or DoW civilian employees are grayed out. This document does not include additional questions selected by the Service or by unit leadership. For survey administrators: Information provided during the registration about your unit (particularly its name) is piped into questions throughout the survey. It is important to keep this in mind as inaccurate or overly generic information entered during survey registration may confuse participants. For example, participants will be asked “What is your affiliation to: [Unit Title]?”, with the custom text placeholder shown in red.
