LEAD THE WAY

Get to Know the Ready Teams Campaign

The Ready Teams Campaign activates leaders at every level—from commanders to trusted teammates—to strengthen how teams operate and perform.

When teams are aligned, they move faster, perform better, and stay ready.

Mission Success Starts with a Ready Team

- Strong teams execute faster, adapt under pressure, and keep units sharp.
- Ready Teams protect the mission and the people. They speak up, step up, and hold the standard together.
- This campaign grows through your actions: **ENGAGE** with the message, **EQUIP** your team, **EXECUTE** shoulder to shoulder.
