

THE INTEGRATED PREVENTION NETWORK (IPN)

is an online community of practice designed to foster collaboration and learning among Department professionals working to prevent sexual assault, child abuse and neglect, domestic abuse, harassment, and suicide.

MEMBERSHIP

Civilian and uniform personnel in the Department and Coast Guard are invited to join. Members must have a .mil email address.

PURPOSE

The Integrated Prevention Network addresses opportunities and challenges common among the Department's violence prevention workforce. This type of collective learning is critical to advancing the use of research-informed activities to address issues faced by the military community.

JOIN THE NETWORK

To join the Integrated Prevention Network, follow these steps:

1

Create a PIX account at <https://pixtoday.net/login> then open "Portals"

2

Select "Portals I Can Join" and search "Integrated Prevention Network"

3

Select "Join" on the Integrated Prevention Network page and enter your information

After completing these steps, our team will review your membership request and provide confirmation once access has been approved.
